

## **CONQUISTA – CHT600**

The CHT600 – THE CATCHER. A true offshore fishing craft with sporty, yet elegant lines, exceptional handling and seaworthiness all in an affordable and compact package. Despite its size and low weight, the CHT600, provides an exceptionally stable, dry and soft boating experience for the whole family even when the weather turns on you. The perfect mid-size level offshore fishing boat at half the price of other brands.

The CHT600 features an infusion molded, ultra-stiff and light-weight hull, a berth that can sleep two, a self-bailing deck and Fiberglass hardtop with temper glass windshield and side windows, keeping dry and protected at all times. The floor-integrated storage/kill tank provides plenty of volume for your supplies or the catch of the day. The dashboard features plenty of space for additional instruments and a fish finder or MFD.
