

CONQUISTA - CRB830

The CRB830 - The Dark Knight. This custom made 8.30 meter High Performance Power RIB combines a fully offshore capable Deep-V hull with the latest engine technology from Mercury, the supercharged end of the line Verado outboard engines in a counter rotating dual engine installation for unmatched acceleration, handling and safety while being on the water.

The Result: *The Ultimate Performance machine topping out at nearly 55 miles per hour while only consuming 38.5 liters per hour at a cruising speed of 44.0 kilometers per hour*

The CRB830's tubes are constructed from special military grade carbon look black Hypalon made by Orca in France usually reserved for government, military and paramilitary usage only and boasting 7 independent air chambers rendering this craft virtually unsinkable. The hull was designed by Bakewell-White in New Zealand and displays exceptional fuel economy and offshore capabilities even in the roughest conditions. One of the many reasons why the very same RIBs were used by the New Zealand Police during the 2000/2003 Americas Cup Regatta in Auckland.

Name:	<i>Dark Knight</i>	Year:	<i>11/2013</i>
Model:	<i>CRB830</i>	Color:	<i>Midnight Black</i>
Type:	<i>Offshore Power RIB</i>	Hull:	<i>GPR & Honeycomb</i>
Capacity:	<i>6 + 6 people</i>	Tube:	<i>Hypalon - 7 Chambers</i>

Length:	<i>8.35 Meter</i>	Weight:	<i>2,610 KG</i>
Beam:	<i>2.60 Meter</i>	Fuel:	<i>420 Liter</i>
Draft:	<i>0.54 Meter</i>	Water:	<i>150 Liter</i>
Dead Rise:	<i>26.0 °@ Transom</i>	Grey:	<i>40 Liter</i>

Engine:	<i>2 x 200 HP Mercury Verado (CR)</i>	Control:	<i>Digital Throttle & Shift</i>
Details:	<i>Inline 4 Cylinder - 1732 ccm</i>	Power Steering:	<i>Yes - Teleflex</i>
Drive:	<i>Heavy Duty 4.8" Gear Case</i>	Propeller:	<i>Inertia 21 Pitch (RH/LH)</i>
Service:	<i>Fully Serviced & Guarantee</i>	Hours:	<i>77</i>

WOT:	<i>6120 RPM</i>	Best Cruise:	<i>3500 RPM</i>
-Speed	<i>54.7 MPH / 88.0 KPH</i>	-Speed	<i>27.3 MPH / 44.0 KPH</i>
-Fuel	<i>41.2 GPH / 156 LPH</i>	-Fuel	<i>10.2 GPH / 38.5 LPH</i>
-Range	<i>147 M / 237 KM</i>	-Range	<i>298 M / 480 KM</i>
