

CONQUISTA – CSC520

The CSC520 – Wave Master. The CSC520 presents with sporty, yet elegant lines, exceptional handling and seaworthiness in an extremely affordable and compact package. Despite its size and low weight, the CSC520 provides an exceptionally stable, dry and soft boating experience for the whole family even when the weather turns on you. The perfect mid-size level boat at half the price of other brands.

The CSC520 features an infusion molded, ultra-stiff and light weight hull, a small berth that can sleep two, a self-bailing deck and a uniquely design stainless steel canopy with plenty of space for all your fishing gear. The floor-integrated storage/kill tank provides plenty of volume for your supplies or the catch of the day. The dashboard features plenty of space for additional instruments, fish finder or MFD.
